

Your Business Connection...

The Kendall Networkers, Inc. is an organization of reputable, talented business people who share their knowledge, experience and contacts with one another. Our members are dedicated to enhancing the business climate in Kendall by networking and referring business to one another.

Our Mission Statement...

The Kendall Networkers, Inc. is founded on the principle that the goal of members is to do business with and to refer business to each other. Our increasingly complex business world makes these contacts ever more important. A network member is dedicated to a professional approach accomplishing the services and tasks undertaken.

What Our Members are Saying...

"I feel very fortunate to be a part of Kendall Networkers. The group's diversity and overall level of business experience is second to none. If you're looking for a business networking community where members truly enjoy helping their fellow networkers grow their business, you don't need to look any further."

*—Mark W. Streeter, Public Adjuster,
All Points Claim Advisors*

"The power of networking: a member referred me to a pastor who I ended up doing some work for and he became a client. About a year later, that pastor referred me to a shipper with seven computers and he is a client now, as well. The shipper, in turn, has referred me to a potential client in Ft. Lauderdale. This is a testament of the true power of networking!"

—Carl Herrera, ITIS Computers

"I became a member of the Kendall Networkers in 2015. It is a great honor to be part of this wonderful group of professionals of which I have learned so much. Our meetings are informative and fun and you feel like you are part of a family. They have helped me grow my business and improved my abilities in many ways. I always look forward to seeing them."

—Maria Serrano, Cruise and Land Vacations

"I am honored to be part of this Dynamic and Progressive Group of Professionals. I have been a member since 2011. Because of its exclusivity, I had to wait five years in order to join. I can say that the wait was well worth it! I look forward to our meetings to exchange referrals and ideas that can help our businesses grow."

—Gonzalo Cordoba, P.A. CDPE
